Sponsored by:

- IE International group

Candidate

- **LEREKO**

- **Project outline:**

The team had to select a project where the team members had to:

- Give Time
- Give Money
- Teach

PROJECT SUMMARY

We chose an 8-year-old learner that will be in grade 3 next year and helped him to take care of his school uniform so that he can be prouder of himself.

CHOOSING THE LEARNER

We chose Loreko because it was noticed that his clothes was dirty everyday

GIVING AWAY THE MONEY

We bought Loreko a new school uniform and stationery

CONCLUSION

- We showed LOREKO how to keep his school uniform clean

Teaching

Rinse, put on washing line and clean bucket to be ready for tomorrow

BEFORE

Lenon couldn't wait to show him that he must always tuck in his shirt.

AFTER

Thank you to:

- Julia for finding the learner
- Salome, Engela and Julia for buying the uniform, stationery and washing bucket
- Engela for being the chauffeur
- Salome and Julia for taking photos and videos
- Lenon for showing him how to wash his clothes

Special thanks to:

Johnny Eliades - owner of the **IE INTERNATIONAL GROUP**
for founding and funding the Within Giving Projects
